

Village of Grass Lake

# Housing Action Plan

The Village of Grass Lake is preparing a Housing Action Plan. This planning study will assess the community's housing needs, including a look at trends related to housing types, demand, and affordability. The Housing Action Plan is expected to outline policies and actions that the Village can take to help increase housing supply, choice, and affordability within the community. This project is being supported by funding from the State of Michigan.

**How do you feel about housing in Grass Lake?**

**Community Workshop**

**We need your input!**

The Village of Grass Lake is hosting a Community Workshop on housing. Please attend to learn about this study and share your thoughts and ideas about housing needs within the community.
